

CIRCULAR

All the valued business partners and customers

You are all aware that Goods and Services Tax (GST) has been implemented by the Government of India from July 01, 2017 assuring a sea change in the way business is being done. In order to carry out the business and its future growth, it is mandatory that GST Registration is shared. Under the circumstances it is requested that all our valued partners shall submit the GST Registration Number of their business entity and cooperate for a fruitful future.

We also take this opportunity to inform you that Corporation shall not undertake any type of business activities with those firms who are not having GST registration, and if at any point of time if such activities are undertaken, it has been decided to recover / deduct the GST amount applicable for the activities from the amount payable to those firms.

We cherish having good business relations during last one decade and continue to grow along with you in order to achieve the goals set. Hence we expect all partners and customers to reciprocate with the details as early as possible. Those who have already shared the details are requested to treat this circular as information only.

The Provisional GST Registration Number of KMSCL is uploaded on the website of the Corporation www.kmscl.kerala.gov.in.

Thanks in advance.
